Compagno 110i

The **Compagno 110i** is small scooter with big style, providing a classic, retro aesthetic in an economically affordable, and technologically advanced package. It features fold-out passenger footrests, speedometer, odometer, fuel gauge and clock, under-seat storage, a glovebox and a backpack/helmet hook. The Compagno has a low 29-inch seat height to allow most riders a comfortable, flat-footed stance when stopped, and a low step-through floor for ultra-easy access. The Compagno is techno yet retro, and is available in Light Green, Matte Black, and Matte White.

Key Features

- Twist and Go Automatic Transmission
- 112cc 4-Stroke Engine
- Electronic Fuel Injection (EFI)
- Single-Disc Front Brake
- Unlimited Smiles Per Gallon
- Under-Seat Storage and a Backpack Hook
- Two Year Limited Factory Warranty

Classic Cool: Light in Weight, High in Style
