

**\$5,399.00** MSRP

## ***Downtown 300i***

A mid-sized scooter for weekday commuting and weekend touring, the **Downtown 300i** delivers high-mileage economy with the comfort and security of full-sized chassis. Providing the wind protection and comfort of a maxi scooter, the Downtown 300i is also lightweight and nimble. Blessed with an average performance of 66-miles per gallon, the 30-horsepower Downtown 300i can provide week-long commuting for pennies. Features include the large under-seat storage that accommodates two helmets and more, 12-volt accessory outlet, secure glovebox, and multi-function ignition lock. Available in Black or Matte White.

## ***Key Features***

- Twist and Go Automatic Transmission
- 298cc 4-Stroke Liquid-Cooled Engine
- Electronic Fuel Injection (EFI)
- Single-Disc ABS Brakes
- Quick-Adjust Rear Shock
- Lighted Storage for Two Helmets
- Two Year Limited Factory Warranty
