Like 200i

Retro styling gives the **Like 200i** the vintage look of a classic scooter, making it a popular ride for scooter enthusiasts living the lifestyle of dynamic two-wheeled motoring. The mid-size of the Like 200i, and its heart of modern technology, provides serious performance of retro style with contemporary reliability. Built to go anywhere anytime, the modern ease of the Like 200i's twist and go automatic transmission and its dependable fuel injection, provide performance security with a factor of cool. The locking top box is standard equipment, adding practicality to the Like 200i's mix of maximum fun and functionality. Available in Blue, Matte Black, Red, or White.
