

\$5,999.00 MSRP

Xciting 500 Ri

Designed for two-up touring with ease, the **Xciting 500 Ri ABS** provides power for expressways and handling for mountain highways. The Xciting 500 Ri ABS combines confident control with step-through on-off ease for riders, plus all-weather comfort. Touring features include an ergonomic seat, under-seat storage for two helmets and more, lockable glovebox, and 12-volt under-seat accessory outlet. The dashboard has full-feature gauges, multi-function ignition lock, and the easy-access fuel filler. Available in Gray or Gold.

Key Features

- Twist and Go Automatic Transmission
- 499cc DOHC 4-Stroke Liquid-Cooled Engine
- Electronic Fuel Injection (EFI)
- Dual-Disc ABS Brakes
- Quick-Adjust Rear Shock
- Lighted Storage for Two Helmets
- Two Year Limited Factory Warranty

Touring Comfort and Commuting Convenience
