January 26, 2012
Alert #181150

FOR IMMEDIATE RELEASE:

KYMCO Recalls The UXV 500 Products Due to Fire Hazard.

In cooperation with the Consumer Product Safety Commission, KYMCO USA is advising the general public of a potential safety defect found on the KYMCO UXV 500/500i, UXV 500/500i LE and UXV 500/500i SE models. All vehicles produced for model year 2009 – 2011 and a limited number of 2012 models are affected. (See below for more details.) This potential hazard can cause serious injury or death if not repaired by an authorized KYMCO dealer. KYMCO USA advises you to stop operation of this Utility (UTV) vehicle until the repair has been made.

5 Stan Perkins Road Spartanburg, South Carolina 29307 USA www.kymcousa.com

Potential hazard:

The nature and extent of the possible defect, or the risk is due to an exposed portion of the exhaust system that could allow debris such as leaves or brush or other flammable materials to catch fire and burn. The risk includes the possibility of serious injury or death and or damage to property!

KYMCO USA reports about 1876 vehicles are affected by this recall. To date three cases have been reported of vehicles that have caught fire causing damage to the vehicle. No injuries or deaths have been reported as a result of these incidents.

Models affected:

All KYMCO UXV models including standard, LE and SE versions produced as 2009 through 2011 and a limited number of model year 2012 as Standard, LE and SE models including Fuel Injected models. See table for VIN range:

MODELS	MODEL YEAR	Vehicle Identification Number (VIN) RANGE
UXV 500	2009	RFBUS37A 09B100101 through 9CB490364 (CARBURETED MODELS)
UXV 500LE	2010	
UXV 500SE	2011	
	2012	
UXV 500i	2012	RFBUS33A 4CB100101 through 8CB230205 (FUEL INJECTED MODELS)
UXV 500i LE		
UXV 500i SE		

Remedy: Consumers should discontinue the use of this product and return their UXV vehicle to a KYMCO dealer in order for a repair kit to be installed.

Consumer Contact: For additional information, contact KYMCO USA at 888-235-3417 between 9 a.m. and 5 p.m. PT Monday through Friday or visit the firm’s website at www.kymcousa.com or by email at info@kymcousa.com.

CPSC is interested in receiving incident or injury reports that are either directly related to this product recall or involve a different hazard with the same product. Please tell us about it by visiting <https://www.cpsc.gov/cgibin/incident.aspx>
